

PARKING POLICY

Newport Harbor High School has limited parking facilities available for students. All students must park in marked stalls within the areas designated for student parking. Students are not permitted to park in parking spots designated for staff, visitors or handicapped spaces. Students who live close to school are encouraged to walk or ride a bicycle to school. Sophomores and Juniors should park in the parking lot on 16th Street next to the stadium. Seniors without a Senior Parking Permit should also park in the 16th Street lot. The only students allowed to park in the 15th Street lot are seniors who have purchased Senior Parking Permits. Permits must be displayed in the correct location within the vehicle. **Newport Beach Police Department's Parking Control Office enforces parking regulation and issued tickets for violations.**

Senior Parking Permits

A limited number of Senior Parking Permits are available for distribution during the first week of school at a designated time. A student must present a copy of his/her driver's license, car registration, and proof of insurance to be entered into the lottery for a Senior Parking Permit. Any student who falsifies this information who gives a parking permit to someone else will lose parking privileges on campus. Having a parking permit does not guarantee a parking spot. Parking spaces are on a first come basis.

Out of Bounds

Parking lots are out-of-bounds areas for students unless they are arriving or leaving school. Students may not go to their cars to retrieve items during the school day.
